

the brow and skin studio

Establishing itself as Brisbane's first dedicated brow studio, The Brow and Skin Studio's team is committed to helping women look and feel their best. "Women need to take the time to look after themselves," owner Sherril Dalitz says, "This is the one investment with beneficial returns." The studio only provides products and treatments that are results-driven to ensure a great outcome. "The three key beauty essentials are professionally groomed brows, healthy skin and fabulous lashes. These make a big difference to a woman's look."
